

Football Team Win Sports Award

The football team attended an award presentation recently for the Chairman of the Council's Sports Awards 2014. The team were overjoyed to be announced winners of the Contribution to Inclusive Sport award during the event, held at the Guildhall in Bath. The players were nominated in recognition of all they have achieved and their league success, as well as recognising how well they work together and support each other. The players received a certificate and a Bath Aqua glass engraved plaque.

Keynsham Mencap FC are part of the Somerset FA Ability Counts league and play regular matches against other disability football teams from across the South West. The team are currently top of Division 2. They have their final fixture on Sunday 27th April at Strode College in Street.

Hilton Ball. 10th May 2014

We are really pleased that once again, Bath Hilton Hotel have chosen to partner us for this super event. Tickets are on sale now and are £39 each, which includes pre-dinner drinks, a 3 course meal and wine with dinner. Tables sit 10 but smaller groups are also very welcome. There will be a raffle, auction and a disco for after dinner dancing. The dress code is smart but not formal. Last years event was an unstuffy, relaxed and fun evening that raised £3,500 for the society. We'd be delighted if you and your family, colleagues and friends would join us again this year. To purchase tickets please contact the Keynsham Mencap office on 0117 9865659 or email michelle@keynshammencap.org.uk

Go Explore Club

We are piloting a new club called Go Explore for young adults aged 18 - 25. The club will run for 12 weeks and if it successful it will be launched later in the year. Go Explore is designed to provide young adults with focussed support in areas such as independence and life skills. As our 18+ Club is currently full with a long waiting list, it is hoped that by running the new Go Explore club we can expand our services and welcome more members to the Society. We have a small group taking part in the pilot scheme and look forward to hearing their ideas, suggestions and views that will help us shape the future of this project.

Grace Wins Volunteer Award - Again!

Following on from her win at The Chairman's Community Awards where Grace won Young Volunteer of the Year, Grace has now won a second award for the voluntary work that she does for the Society. Grace has won the Keynsham

Anyone who lives in Keynsham is welcome to attend the meeting which is taking place on Monday 28th April at Keynsham Baptist Church, 7:30pm. We would love to have a few representatives from the Society who can give Grace a massive cheer when she receives the award! Congratulations Grace, we are really pleased for you.

We would also like to take this opportunity to thank all 94 of our volunteers for everything they do to support us. You are all wonderful!

Race Night

Huge thanks to everyone that came and supported our first ever Race Night. The evening was great fun for all and it was wonderful to see so many members, friends and supporters taking part. Races were shown on a big screen and guests were invited to place bets on their chosen horse with cash prizes for the winners. The event raised a fantastic £945. Thank you also to everyone that helped behind the scenes.

Thank You!

Mencap Font

You may have noticed we have been using a different font in our publications. This font is called FS Mencap and has been designed with the help of people with Learning Disabilities. The font was created to make letters easier to identify and to be easier to read. We'd love to know what you think of it.

We're taking part in Keynsham's Flash Mob! We'll be joining lots of other groups for a huge photo that will appear as part of the Bath Fringe Festival.
